Our group menus include a variety of tasty starters, mains, sides, desserts and drinks, so there is something for everyone. We also offer the option to adapt the menu to your dietary requirements or preferences, such as vegan/vegetarian options or allergies.

We understand that every group is unique, which is why we also offer the possibility to put together your own drink package to suit your taste and budget. Our employees are ready to advise you and help you make the best choices.

Did you know that you can also combine your group dinner with the private hire of our beer spa/wellness? The private rental is possible between 20:00-23:00/01:00!
